

## 2010-2011 SEASON PROGRAM RESOURCE LIST OF PRODUCTIONS AND PERSONNEL

This list includes information printed in programs for productions running during the eligibility period for the 2010-2011 TAG awards: 6/21/10 through 6/20/11. This is the second year this document has been compiled as a kind of “help document” for TAG members as they prepare Nomination Ballots for the TAG Awards. Our sources were programs loaned by various members. We hope to continue and improve this product with the help of theatre and production companies in future.

Productions are listed by title, alphabetically, ignoring “The” or “A” in a title.

Corrections/additions should be sent to the project monitor, Jim Martin at [jimbunny99@yahoo.com](mailto:jimbunny99@yahoo.com). Please provide all the info listed herein, in the format used in this List. We will update as often as possible up until June 26, 2011.
